TERMS AND CONDITIONS

1. All Electrical orders must be paid in full one week prior to the show setup. Please make sure you receive our invoice for your confirmed order.
2. The "More Than 15 Days Prior" rates are charged 15 days and more prior to the start date of the official build of the event.
3. The on-site "Less Than 15 Days Prior" rates are charged within 15 days and less prior to the start date of the official build of the event. (On-site orders must be paid at the time of ordering).
4. Cancellations or amendments to invoiced orders and paid orders are not permitted 15 days prior to show set up.
5. Any changes/ relocation required due to incorrect grid plans/ stand nos. will be subject to a surcharge of 20%.
- 6. Main Power:**
 - a) Mains power during the show will only be activated on the last day of build-up.
 - b) We will not be responsible for any machine damages for stands that didn't apply for 24 hours if needed.
 - c) Stand contractors are required to be present to activate their main power 1 hour before and 1 hour after the show opening times.
 - d) Main Supply cable is provided, & space contractors should have a DB as per DWTC policies.
 - e) Contractor / Exhibitor are responsible of distribution and connection of power from their DB and onwards.
 - f) If main power is required during Build-up, a surcharge of 30% is applicable.
 - g) Ceiling cable for truss/light, does not include power. Power to be ordered separately.
 - h) The maximum power allocated for ceiling cable is 30Amps three phase.
 - i) All Electrical Accessories are on rental basis and should be returned after the exhibition.
- 7. Build up Power:**
 - a) The contractor will connect their own equipment and cables to the distribution board.
 - b) Each distribution board will consist of single phase & three phase female commando or CEE Form sockets and 13 Amps plug tops.
 - c) Contractor build-up power is only to be used for stand construction purposes and not for stand testing.
 - d) Build-up power will be used for build-up and tear down only.
 - e) Build-up power cannot be shared with other stand contractors.
 - f) The contractor will need to order and pay the power with TOP EXHIBITION ORGANIZERS.
 - g) During the event the build-up power distribution boards will be turned off.
- 8. Water and Waste:**
 - a) TOP EXHIBITION ORGANIZERS does not supply sinks.
 - b) 3m pipes are supplied as standard. If you require longer than 3m please notify Exhibitor Services at the time of ordering.
 - c) Exhibitors / Contractors are responsible of all connection & accessories to the machines & sinks.
- 9. General:**
 - a) The rates quoted are per event based on a maximum 7 day rental basis only.
 - b) Any damages to DWTC assets caused by contractors/exhibitors will be subject to surcharge decided by the DWTC Utilities team.
