Turkey	14 January 2021

<b>Country – Associate and Partner States</b>	<b>Covid-19 Vaccination campaign: Starting date</b>
Qatar	23 December 2020
The Holy See	13 January 2021
United Arab Emirates	14 December 2020

\* Countries that have no access to vaccine and that did not begin any vaccination campaign (as of 19 February 2021)

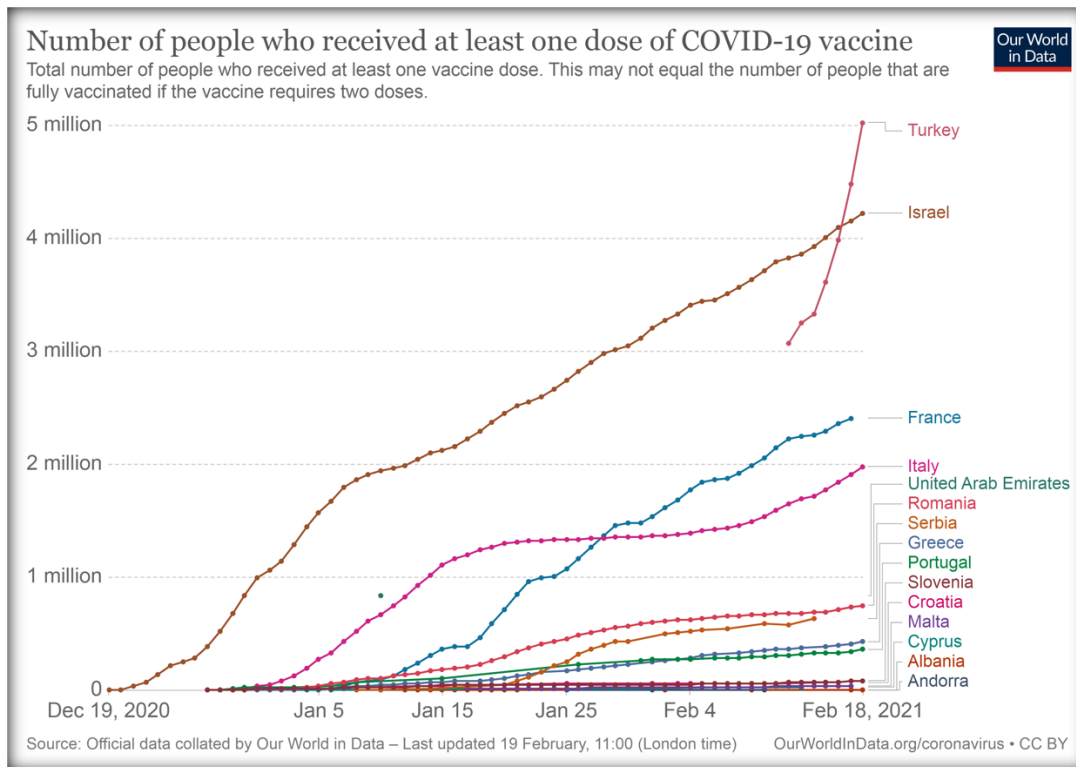

Figure 1. PAM Countries people who received at least one dose of COVID-19 vaccine

### COVID-19 vaccine doses administered, Feb 23, 2021

Total number of vaccination doses administered. This is counted as a single dose, and may not equal the total number of people vaccinated, depending on the specific dose regime (e.g. people receive multiple doses).

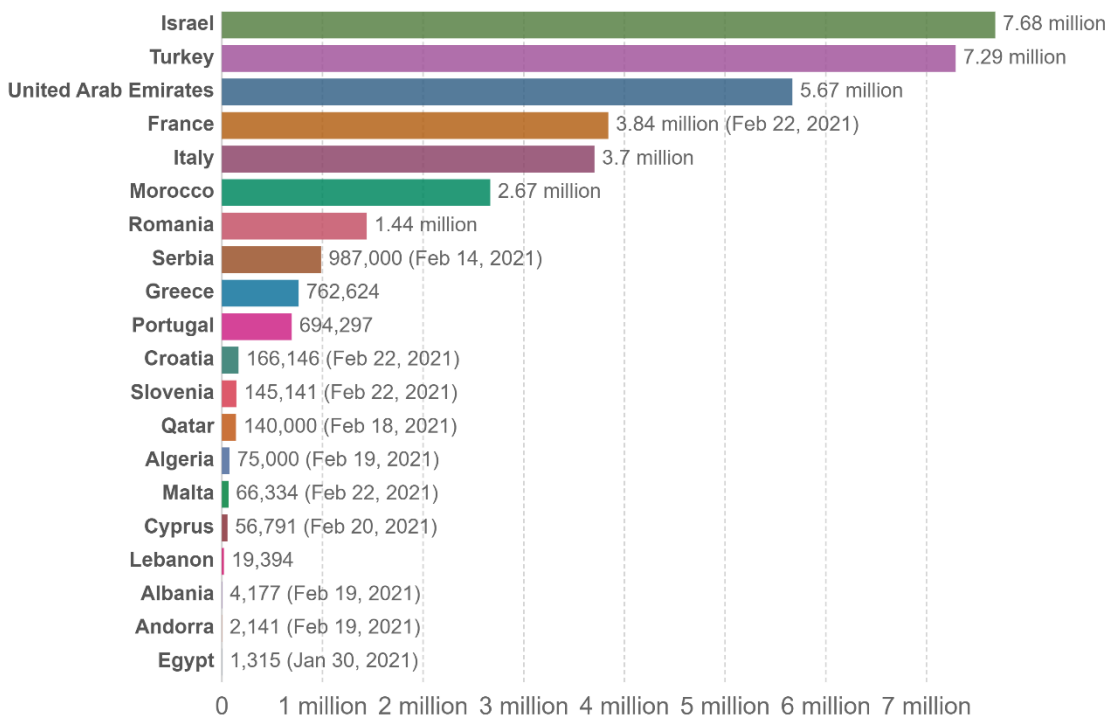

Figure 2. Share of PAM Countries who received at least one dose of COVID-19 vaccine as of 22 February 2021
