
18th DIHAD Conference Session 3: Good Health and Wellbeing (SDG 3) & Clean Water & Sanitation (SDG 6)

Patrick van der Loo
Regional President Africa & Middle East

March 15, 2022

Our Purpose

**Breakthroughs that
change patients' lives**

COVID-19 Vaccine

Fighting COVID-19 Pandemic*

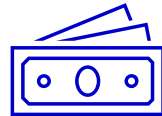

~2.9 Billion vaccines

were delivered to
170 countries across the globe

Including 16 countries in the Middle East and 39 countries in Africa

more than 1.1 billion doses to 101 low- and middle-income countries

*Figures as of Feb 6, 2022

Universal Health Coverage & Role of Private Sector

All individuals and communities—regardless of race, ethnicity, gender, income, or location—should have access to meaningful, affordable healthcare options.

Supporting Healthcare Systems

Pfizer has invested in a series of initiatives across Sub Saharan Africa to support patient access & we continue to explore new solutions

Zipline Partnership

Collaboration to deliver medicines using drones to rural communities in Rwanda and Ghana with over 20,000 deliveries to date.

International Trachoma Initiative (ITI)

Through Pfizer's partnership with the ITI, we provide Zithromax to those in need in the effort to eliminate blinding trachoma and help preserve and restore the health and well-being of affected families worldwide.

Model Clinics

Pfizer Foundation partnered with a number of organization across SSA to strengthen innovative clinics and workers.

Partnership is Key to Success

The Power of Partnership through:

- Leveraging local Innovation
- Investing for growth

Thank you
